In March 2009 the University of Iowa College Republicans have elected new leaders to take the group through the 2009-2010 school year. These individuals will help lead the Republican Party back to a majority and make them more known on the University of Iowa campus. So far they have helped lead a tea party on the Burlington Street Bridge that brought 400 residents of Iowa City together on tax day. The new UICR leaders are

Derek Bohlke: Chair

Alex Solsma: Vice chair

Hillary Block: Secretary

Kevin Velovitch: Treasurer

Ingrid Bisenius: Events Coordinator

Have a fun summer and look for the UI College Republicans on campus in the Fall.
